Student Name: \_\_\_\_\_ Grade: \_\_\_\_\_  
*Last Name* *first name*

I understand that I will be assigned a WHS Blue Band Uniform that consist of a JACKET, JUMPSUIT, GUANTLETS, RAINCOAT/PONCHOS, AND A SHAKO (hat), in a box, and a garment bag. It will be my responsibility to take care of it. I agree to adhere to the following care instructions:

- 1.) While students are in uniform they are to take pride and act responsible as they are a representing the WHS Blue Band!
- 2.) No uniforms shall be taken home, unless otherwise instructed by the band director or the band boosters.
- 3.) Absolutely NO food, gum or drinking (unless clear liquids) are to be done while students are in uniforms. ALL STUDENTS MUST REMOVE THEIR UNIFORM JACKETS before eating or drinking.
- 4.) To ensure a proper fit of the student uniforms, I agree to be sized and measured by a band booster member.
- 5.) Nothing else should be stored in the uniform garment bags like shoes, personal items etc.
- 6.) Students must carry the shakos (hats) by the bottom, not by the strap ad they can be easily broken. Nothing should be stored in the boxes with the Shakos (hats), the plumes will be handed out and collected at each performance.
- 7.) Do not bring any of the following in contact with the uniforms: anti-stats, such as static guard; water proofers or oil proofers, spot cleaning chemicals or other typical chemicals such as bleach, spray deodorants, perfumes, brighteners, facial makeup etc.
- 8.) Students are to check over and examine uniforms before each performance, for any tears, soiling, stains etc. and report any damages to the band director or band booster member immediately.
- 9.) If inclement weather, and rain coats/ponchos are needed the student is to follow the direction of the band director or the band booster as to the care of the uniforms.

I understand that the yearly band fee that each student is required to pay will cover the cost of the dry cleaning cost for my uniform. I also agree that if something should happened to the students uniform and it gets lost or damaged (due to student negligence . . . EATING IN UNIFORMS, WALKING ON PANTS CUFFS, ROUGH HOUSING ETC) that we will have to reimburse the WHS Blue Band Boosters for the article/garments that is damage or lost.
